

College Credit Plus (CCP)

Interested in taking college classes through Goal next school year (2023-2024)? College Credit Plus (CCP) allows students to start earning college credit and receive credit for high school classes. Tuition is paid for by Goal as long as the classes are passed. Students are eligible in grades 7-12. Goal recommends strong academic performance and at least a 3.0 grade point average (GPA). Colleges may also require a placement test.

In order to participate, you must meet with a school counselor from Goal by March 24, 2023. A letter of intent form will be filled out and turned in by March 31, 2023. Even if a student has participated in the past, a new form must be filled out and signed.

Please contact the school counselor closest to your lab to set up an appointment. This is required to participate in College Credit Plus next year.

Delaware, Newark, Marion, Mount Vernon and Mended Reeds labs: Mrs. Allen:
614-203-3630: hallen@mygda.org

Mansfield (D-Z): Mrs. Wellin: 419-631-1345: swellin@mygda.org

Cardington, Galion, and Mansfield (A-C) labs: Mr. Caplinger: 419-989-6179:
rcaplinger@mygda.org

If you have any general questions about the CCP process, feel free to contact me at the number or email below.

Mr. Ryan Caplinger

Ryan Caplinger

school counselor, Goal Digital Academy
