RE: Senior Class Luncheon & Graduation

I wanted to reach out to you and let you know that GOAL Digital Academy is here for you and your families. GOAL staff are willing to help you in every way. We want all of our seniors, The GOAL Digital Academy Pandemic Class of 2020 to have a proper senior send-off. The senior luncheon has been rescheduled for May 7, 2020, starting at 10:00am. If we are unable to hold an in-person luncheon we will schedule virtual individual senior checks with guidance remotely. The luncheon and/or virtual guidance senior check will count for all of your exam grades for your final semester of high school.

The GOAL Digital Academy Graduation will occur on Friday, May 22, 2020, at the originally scheduled time, beginning at 6:30pm. If we cannot hold a group ceremony in person, the ceremony will be held virtually. Approximately, 130 diplomas are expected to be awarded. We are proud of everything that you have accomplished, especially how you have stepped up and remained strong during this unique time in our history. While we are not able to see each other and your families in person right now, we will recognize your achievements virtually with your families and friends.

GOAL will host a live in- person graduation ceremony if the May ceremony cannot be held in person for the Members of the Class of 2020 on Wednesday, August 19, 2020, at the Mid-Ohio Conference Center/GOAL Mansfield Lab located at 890 West Fourth Street Mansfield, Ohio 44906 starting at 6:30pm. Please share the dates for your senior luncheon and graduation with your family, friends and classmates. Stay home, keep positive, healthy and safe. Please know that everyone at GOAL is thinking of you and we will continue to support you in every possible way.

Proud to be your Superintendent,

Tish Jenkins
