

GOAL Digital Academy Families and Staff,

As we embrace the spirit of the holiday season, I extend warm wishes to each incredible staff member, families, and talented students. 2023 ends with an eye-catching palindrome date 123123: December 31, 2023. Experts say the recurring number sequence has a special significance to the energy that surrounds our lives. What a great way to end a year and start anew!!!

I want to express my gratitude to GOAL Digital Academy's devoted staff members. Your consistent commitment to the success and well-being of our students is truly inspiring. Throughout this year, your dedication has further solidified our bond as a community. Your positive attitude, compassionate approach, and tireless efforts have not gone unnoticed. I am continually uplifted by your remarkable impact within our school, creating a climate and culture where our students thrive and succeed.

To our students, your enthusiasm, creativity, and determination makes GOAL Digital Academy an amazing school. Your willingness to learn, grow, and contribute is what makes GOAL such a special place. Students and staff please take a moment to reflect on your accomplishments and the incredible potential that lies ahead.

To our GOAL families, your support and partnership are invaluable. Thank you for entrusting us with the education and well-being of your children. Your involvement enriches our community and contributes to the success of every student. We appreciate your collaboration in fostering a positive learning environment.

GOAL will resume school on January 3, 2024. This break provides a well-deserved opportunity for rest and rejuvenation, allowing us all to return in the New Year refreshed and ready to tackle new adventures.

As we bid farewell to the current year, let us remember the importance of kindness, empathy, and understanding. The holiday season allows us to connect with loved ones, appreciate moments of joy, and extend a helping hand to those in need.

Thank you for your dedication and hard work throughout the year. I wish you a festive New Year with new opportunities and successes. See you in 2024!

Your Partner in Education,

*Tish Jenkins*
