This afternoon the state of Ohio issued a Stay at Home Order effective 11:59 p.m. on March 23, 2020, until 11:59 p.m. on April 6, 2020. You can view the full order [here](#). As a result, we will continue to operate as we have been while maintaining our top priority of keeping our families, students and staff safe. Students and families if you are struggling academically, emotionally or are worried about basic essentials please contact your educational advocate who will help you connect to the resources that you need.

We understand that our students and GOAL families need guidance and expertise more than ever. GOAL Digital Academy is ready and committed to deliver. We will be sharing additional guidance regarding this order and other important legislative measures as information becomes available.

We are Community Strong and GOAL Strong,
